...That prince hasn't left the princess' side.
There are guards all around.
Idiot, we're tied up! How're we gonna do that?
Couldn't we turn the tables on him?
IT'S AN ENEMY RAID!!
Hey,
Isn't that a ship way out there?
It's too bad I had to give up.
It wasn't manly of me.
Huh?
Isn't that a rock?
It's dark, so I can't see it very well.
Get down!
THE CAPTAIN IS FAR BEYOND MANLY.

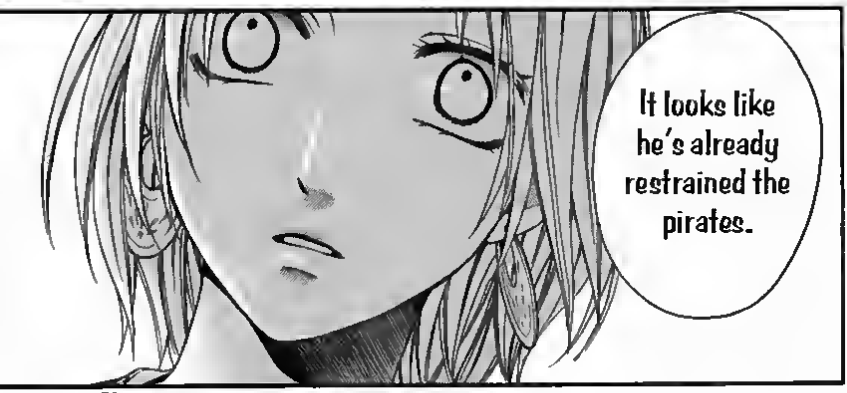
Kallum, I see.



It looks like he's already restrained the pirates.

It is an honor to be in your presence, King Aleph.
However, what brings you to a place like this?
THE KING OF ANA-TOLIA.

There is now one less threat to both of our countries.

...Uh.
...Calm down, Mishe.
DRIP
Morgiana.
gasp!
Ugh!

I apologize for my wife's rudeness,
King Aleph.
The pirates are a common matter between both of our countries.
Why should I stop?
Please stop any further punitive action.
King Aleph, as you are aware,
these pirates are chivalrous thieves.
At most they are pirates in appearance. What the people cannot do for themselves is our responsibility as ones who stand on high.
Since you are the king of a nation,
you should manage the discrepancy from that position.
These "pirates" are under my protection.

Prince Kallum, aren't you speaking a little too directly...?
Protection? That's considerably lenient thinking.
And if I don't recognize your protection?
I will make you recognize it.
...Interesting.
In that case, we too will change our plans.
GRAB!
Ugh ...!
Morgiana!
If the pirates escape,
consider this girl's life forfeit.
At the break of dawn, the raid shall continue.
Until then, let me see that these pirates are under your protection.

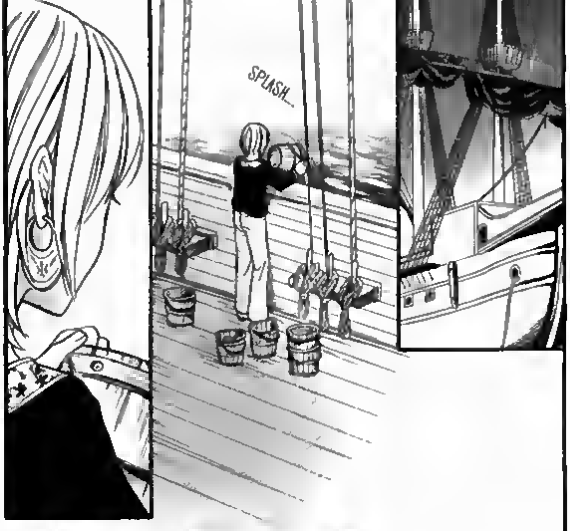
SPLASH
it turned out that you were a slave after all.

Princess...
he needs medical attention too.
Yes!
Oww!
Bear it, please.
It'll only sting for a little while longer.
There are many who are seriously injured.
but it seems that they are a fortunate lot, and none were critically injured.
What about us is fortunate?!
The captain was taken away!
GRAB!
And that awful wound!
but she wasn't hit in a vital spot.
Since it's Morgiana, she'll be fine.
It would be good if she got medical treatment soon.

WAH!
You're no good at this! Change with the princess.
Oww!
Princess, he also needs medical treatment!
Isn't it almost dawn...?
WAH!
Princess, me too!
Yes!
Augh!
...For now,
we'll make the best of the situation until dawn.
YOU'RE WORKING HER TOO HARD!
Augh, you're annoying!
TIE THE BANDAGE.
AND YOU, TAKE A BREAK!
Ye...
I'll be back!
Princess!?
Oh,
I'll go throw out the water!
You're going to carry that much?
Hup!
I'm strong, so don't worry.
I'm fine.
This is the only way I can be helpful.
PRINCESS...
TOUCHED
so please let me help.



私の好きな色

ワインレッドやオリーブグリーンなど、
暗くくすんだ様な色が好きです。
なんとなく落ちつきます。
あと、ピンクとブラウンの組み合わせも
おいしそうに見えるので好きです。

夢木みつる

I haven't had a real conversation with you
about when I was King Aleph's slave.
...Yeah.
...
...Come to think of it.
Does your hand hurt?
You
treated it immediately, so I'm fine.
I see.
I wanted to become King Aleph's wife.
You see.
To achieve that goal, I obeyed every word he said, but
in the end, I was abandoned.
and in doing so, I hoped to prove
that we slaves were not tools.

"It turned out you were a slave after all."
CLENCH
...But, even now as your concubine,
I made you bow your head to King Aleph.
As I am now, I can't stand up to that man.
Earlier,
how should I have behaved as your wife?
...He really is an irritating man.
MUMBLE
Huh?
What are you saying?!
HOW SHOULD I KNOW
is what I'm saying.
WHAT?
It doesn't matter if you're wrong.
Think for yourself and act.
That's what you do best.

Make me believe
it was good that you joined my harem.
That will also serve as proof for him.
Just doing what you're told
isn't like you
IT WAS GOOD THAT I JOINED HIS HAREM?
You still
don't believe that?
Even though you do this and that to me
That's a given.
As you are now, you're nothing more than entertainment.

Entertainment?!
In general,
a woman waving a knife around
lacks grace.
And fromping around and yelling
ARE THE HEIGHT OF TACKINESS.
Sh-
shut up! I know that!
Completely worthless!
Unacceptable
Unacceptable
Unacceptable
Unacceptable
But
PAT
as my wife, you come up with what you should do
and then take action.
What I mean to say is, can I praise you for your swift medical response?

...Here, your reward.
...IT'S FRUS-TRATING.

Hrel
IT'S SO VERY FRUS-TRATING.

Huh?
You and Aleph
are old friends?!
The relationship is shaky,
but Jalbra and Anatolia are allies.
There is no intention of destroying this public façade.
In short, an attack from the other side will not happen.
Old friends.
Allies.
Having a little knowledge of national affairs is a necessity.
Yes....

Of course I do.
do you have something up your sleeve?
Hmph!
If what he said was not true, then all of us would be dead now.
...Prince,
Settle down.
This isn't a joke.
It could be said, because you provoked Aleph, the captain is--
He does not want to ruin the relationship here either.
during the raid that just happened, his forces did not attack me or Mishe.
Anatolia has been making a lot of suspicious moves lately, but
She is most likely being kept at King Aleph's side.
For one reason or another, he has a need to keep her in his sight.
The problem is rescuing Morgiana.
It will take time to infiltrate and search that huge ship.
Since that's the case,
he cannot interfere with matters on this ship.

earlier you said
he will not attack you or me.
...Prince Kallum,
!
over to King Aleph's boat.
The risk is too high to send the pirates
Therefore, I will go
to King Aleph's side and apologize as a distraction.

At that time,
you, Prince Kallum, will rescue Morgiana.
THIS IS

WHAT I CAN DO AS I AM NOW
AS PRINCE KALLUM'S WIFE.
What becomes of pirates
does not have much sway over a country.
Was this the proper move?
The deadline is...
I have
a different objective.
